Grade/Age: _____

Phone#: Home- _____ Emergency: _____

Positions: _____

Name of Parent/Guardian: _____

**Please return this portion to your coach or apply by phone to
609-704-0050**

Note for the parents:

The high school players of Mullica Township are providing this informational camp to help the younger players understand what to expect when moving into higher divisions of softball. We would like to help the younger players by explaining our own experiences through the years. There will be adult supervision throughout the camp at all times. We are planning for our days to consist of: fielding and situational play, hitting different pitches and being an aggressive hitter, and being a smart base runner. This camp will be both informative and fun for Mullica Township's softball program players and residents. Rain day will be made up on Friday of the same week.

Payment due by the first day of camp.
